# League of Women Voters to host presentation on pesticide usage

A virtual panel discussion titled, "Pesticide Use in Your Community: Protecting the Environment and Human Health through Integrated Pest Management", will be held on February 9 from 5:30 -6:30 PM, sponsored by The League of Women Voters of Northern Lower Michigan. The forum features speakers from local government, private companies that use pesticide products, environment/land protection and advocacy groups involved with community pest management. The panelists will discuss the environmental and health risks of pesticides

and possible solutions for routine public land pesticide use.

Panelists include representatives from Cooperative Invasive Species Management Area serving Charlevoix, Antrim, Kalkaska, and Emmet Counties; Dan's Green Side Up, a local landscape management company; Little Traverse Conservancy; MSU Extension Service, and Tip of the Mitt Watershed Council.

The presentation is free and open to the general public. For more information or to register for the event and receive the Zoom access code, email [info@lwvnlm.org](mailto:info@lwvnlm.org).
