

COMMUNITY HLN 5-25-22

Donations needed for Watershed Council's annual 'Whale of a Sale'

Each year, Tip of the Mitt Watershed Council holds its annual fundraiser boat sale, and every year our generous community members donate their gently-used boats to

help benefit Northern Michigan's waters. This year, we're at it again, and we're asking for donations of well-maintained watercraft and equipment. By donating your fishing gear,

diving equipment, boats, kayaks, canoes and associated gear, water toys, life vests, rafts, and water-skiing equipment, you are supporting the health and beauty of

Northern Michigan's water resources. Watershed Council programs supported by this event include youth education, shoreline restoration, invasive species education and management, water quality monitoring, policy and advocacy, watershed management planning, and much more! Call 231-347-1181 to schedule pick-up or drop-off of salable items in good condition with Watershed Council staff.

The Whale of a Sale will be

held July 14 through 16 from 10:00 a.m. to 2:00 p.m. at the Irish Boat Shop Storage Unit, 7580 South State St. in Harbor Springs. A boat preview will be available online at www.watershedcouncil.org/wos on July 12 and 13.

All are welcome at our Whale of a Sale, we hope you can join us!
